## **SPIRITUAL MESSAGE**

### **“The Hemorrhaging Woman”**

The contrast between the pressure of the crowd and the touch of faith has often been insisted on, and carries a great lesson. There was no real connection between the touch of her finger and her healing, but she thought that there was, and Christ stoops to her childish thought, and lets her make the path for His gift. ‘According to thy faith be it unto thee. On the background of the previous scene, the hemorrhaging woman touches the fringe of Jesus’ cloak and she is healed. The Lord asked who touched him? Peter answered and the Apostles were astonished.
