SPIRITUAL MESSAGE

The most effective evangelizers are those who follow Christ's example. Meekness and humility, modesty and prudence, truth and justice, generous self-giving and sacrifice, obedience to the Father- these are virtues that go against the grain of our fallen human nature. And yet, there are holy men and women today who embody this ideal. Whether it be Pope Francis, or just our parish priest. There are plenty of examples of people who dedicate their lives to doing good in the face of difficulties, opposition, criticism and even false accusations. They let nothing stop them, because they are not worried about themselves: They are dedicated to fulfilling God's plan, in his time, on his terms. Are we?
