To support physical distancing and reduce the risk of transmission, places of worship are expected to reduce the attendance at faith-based activities and events to no more than 50 people, or 1/3 of the building capacity, whichever is less. For clarity, infants under the age of two-years old do not need to be factored in to the total head-count.

Have had close contact with confirmed COVID-19 cases in the last 14 days

It is prohibited by law from entering in the place of worship if any of the above criteria are met.

These are strict guidelines and we must all follow them.

Thank you for your understanding!
