“Our Efforts are True Efforts of Love”

This scene symbolizes our own experience: looking at others and their life situations instead of focusing on our relationship with the Lord. If the

Lord wants me to serve, or sit at his feet, it does not matter! The important thing is not the action itself but rather doing what Jesus asks me to do.

Do I want to obtain the peace and tranquility of soul as right disciples of Christ? So, we must give up making comparisons, and do what the Lord asks, Me. It is not necessary to worry about whether others have received a "better share". Only one thing is necessary. Let us not misunderstand this word of Jesus. He does not propose a choice between the activity of

Martha and the contemplation of Mary. In fact, "only one thing is necessary" means precisely that all our actions in the service of God and others must be rooted in prayer. We must always be connected", continually offering our heart and mind, so that all our efforts are true efforts of love.

SPIRITUAL MESSAGE

"The Assumption of the Virgin Mary"

The Feast of the Assumption is a very old feast of the Church, celebrated universally by the sixth century. The feast was originally celebrated in the East, where it is known as the Feast of the Dormition, a word which means "the falling asleep." The earliest printed reference to the belief that Mary's body was assumed into Heaven dates from the fourth century, in a document entitled "The Falling Asleep of the Holy Mother of God." The document is written in the voice of the Apostle John, to whom Christ on the Cross had entrusted the care of His mother, and recounts the death, laying in the tomb, and assumption of the Blessed Virgin. Tradition variously places Mary's death at Jerusalem or at Ephesus, where John was living.
